11th International Festival for Wind Orchestra and Brass Band of the European Youth in Bad Orb / Germany

Dear musicians,

from the 10th till the 12th of September 2010 the 11th International Festival for wind and brass music will take place in spa-town Bad Orb. The spa-administration "Kurgesellschaft Bad Orb", together with their partners gymnastics club "TV 1868 Bad Orb" and carnival club "Geselligkeitsverein Viktoria", cordially invites you.

Together with YOU and 1000 musicians from all over Europe we want to celebrate a fantastic music festival. So spend a weekend in Bad Orb, playing music, partying, dancing, strolling and relaxing!

For three days your music will be surrounding the spa park and all places of the town, delighting an appreciative audience.

Welcoming the nations at the festival tent you will perform with your orchestra two music plays of your choice. A large audience will join and applaud your performances at various places in the town, in the spa park and at the concert hall.

A highlight of the festival will be a concert of all musicians playing together at the Salinenplatz. The festival ends on Sunday with a parade together with the various clubs of the town Bad Orb.

For the first time the thermal baths "Toskana Therme", which will be opened in spring 2010, will be a place for your performances. In this manner the motto "Liquid-Sound" will be integrated into the music festival.

During your whole stay a citizen of our town will take care for you.

We will be very pleased to welcome you to the festival.

Best regards,

Dr. Jörg Steinhardt
